The day of the Lord's coming is at hand  
With a noise like mighty chariots  
His soldiers march this land.  
With swords at the ready  
They shout this war cry  
The time is here.

*(Chorus)*

The Lord thunders at the head of his army.  
All His forces awaiting his command.  
The time is right, the harvest is here.  
The day of the Lord is at hand.

In those days, I will pour out my Spirit  
I will show wonders on this forsaken land  
And ev'ryone who calls on the Lord  
Shall be saved.

King of glory, strong and mighty

King of Glory come!

King of glory, strong and mighty

King of glory come!

Lift up your heads, o you gates

Be lifted up you ancient doors

This nation is calling for Her King

Who is He, this King of Glory?

Jesus Christ our Lord!

Open wide the gates and let our King come in

Satan bow your knee – He comes to set us free

The Lord Almighty is His name

Glorious in majesty He reigns

Commander of the Armies of the Lord!

Jesus Christ is Lord of heaven and of earth

Jesus Christ is Lord of heaven and of earth

We see the signs of the coming Kingdom.  
We hear the sound of the falling rain.  
We'll raise the banner high,  
Jesus is coming again!  
On the clouds, our king will ride  
With the angels of God marching by His side.  
Will raise the banner high,  
Jesus is coming again!

*(Chorus)*

And we will praise His name on that final day  
And we will sing to Him and offer all our praise.  
We'll raise the banner high  
Let the name of Jesus be praised.

We feel the fire come down from the sky  
As the King of glory passes by.  
We'll raise the banner high,  
Jesus is coming again!  
You have called us and we will ride  
With the angels of God, marching by His side.  
We'll raise the banner high,  
Jesus is coming again!

Don't be afraid, don't be dismayed  
More are with us than those set against us  
Open our eyes that we might see  
The armies of the Lord  
And the chariots of fire  
He's the Captain of the army hosts of heaven  
And he's waiting for the time to say the word.

*(Chorus)*

Let God arise, let God arise  
Let God arise, let God arise (repeat)

*(Last time)*

Let God arise (within our hearts)  
Let God arise (within our land)  
Let God arise (within our nation)  
Let God arise!

*(Bridge)*

Mighty is our God, mighty is our King  
Warrior of warriors, deliverer of Men

Prepare ye the way,  
Prepare ye the way of the Lord

Prepare ye the way,

Water of Life, Defender of the weak,  
Light of the World  
Water of Life, Defender of the weak,

Come, come, come, come Holy Spirit  
Come, come, come, come Holy Spirit

Take us to the deep, open up our hearts,  
Bring in the Conqueror  
Shepherd of the Sheep, Lover of my soul,  
Anointed of the Father,  
Giver to the poor, Forgiver of our sins,  
Eternal Sacrifice  
Giver to the poor, Forgiver of our sins,  
Eternal Sacrifice

Come, come, come, come Holy Spirit  
Come, come, come, come Holy Spirit (*repeat*)

From a grateful heart, I give You thanks  
From a grateful heart, I give You praise  
From a grateful heart, I give myself  
As a sacrifice of praise  
From a thankful heart, I lift my hands  
From a thankful heart, I lift my voice  
From a thankful heart, I bring to you  
My sacrifice of praise

I will enter Your courts with praise  
I will enter Your courts with praise  
I will enter Your courts with praise  
I will enter Your courts with praise  
Remembering the Cross of Calvary  
Remembering You bled and died for me  
Remembering Your blood has set me free to  
praise  
From a thankful heart.

Sing to the Lord a new song  
Sing to the Lord all the earth  
Sing to the Lord and praise His name  
Sing to the Lord all the earth  
Proclaim His salvation both now and forever  
And tell of His marvellous deeds  
Declaring His glory among all the nations  
Our God is a God who saves  
Sing to the Lord, raise up your voice  
He rides on the sounds of our praise  
You people rejoice and be glad as we sing  
Let everything that is within me give praise to  
our King

All our righteous acts are as filthy rags  
There is no one that is righteous not one.  
All have turned away each to his own way  
There is no one who does good, not even one.  
You are righteousness, You are holiness  
You alone are just and good in all your ways

You alone are worthy to receive the scroll  
You alone are worthy to be praised  
You alone are the One to open all its seals  
You alone purchased men by your blood.

Jesus, lamb that was slain  
Jesus, lamb that was slain

Lord You said that if I ask  
It will be given to me  
And Lord, You said that if I seek  
That which I seek I will see  
And Lord, You said that if I knock  
Your door will open to me  
So I'm asking You Lord  
To answer my prayer  
The cry You have heard from my heart

And I'm seeking Your face  
Seeking mercy and grace  
To be still in the eye of the storm  
And I'm knocking the door  
Even though I'm not sure  
You will grant me my heart's one desire  
But nothing matters more than knowing You.

Come dance with Me, Come dance with Me  
And we will go, go to the place you and I know  
I will dance with you forever  
I am yours and you are Mine.

I'll dance with You, I'll dance with You  
And we will go, go to the place You and I know  
I will dance with You forever  
I am Yours and You are mine.

Come dance with Me, I'll dance with you  
Come dance with me, I'll dance with You  
And we will go, yes we will go  
Go to the place You and I know

We will dance there forever  
I am Yours and You are mine. (*repeat*)

Holy, holy, holy, holy, holy, holy (ad lib.)

I'm on my knees again,  
Falling before you,  
Coming to the cross  
In need of Your mercy.  
I'm humbling myself again,  
Bowing before You,  
Pouring out my heart  
In need of Your mercy

Over and over I say I love You,  
Over and over I'm lost for words.  
As much as I can offer,  
As much as I can bring,  
It's all about You now,  
You're all I need to live.  
Jesus I come to You.

You are always with me  
You will never leave me.  
Your right hand is holding me still.  
You will always guide me;  
Hold me in Your counsel,  
Teaching me to follow Your will.  
And when all is done,  
You will take me into glory.

*(Chorus)*

Whom have I in heaven, but You?  
Whom have I in heaven, but You?  
All that earth can offer, all my flesh desires  
Will all be swept away, will all be swept away.  
Whom have I in heaven but You?

Even when I falter,  
Even when I fail You,  
Even when my heart is deceived.  
You will be my portion,  
My strength of heart forever,  
I know You will intercede.  
And when all is done,  
You will take me into glory.

Lost in wonder, love and praise

I come before You

Lost in wonder, love and praise

I bow my knee

To the One who is worthy

Of my adoration

Lost in wonder, love and praise

I come before Your throne

Singing Alleluia, glory to the Lamb (x4)

Lost in wonder, love and praise

I come before You

Lost in wonder, love and praise

I bow my knee

To the One who is worthy

Of my adoration (*to verse 1*)
