

I'm on my knees again,
Falling before you,
Coming to the cross
In need of Your mercy.
I'm humbling myself again,
Bowing before You,
Pouring out my heart
In need of Your mercy

Over and over I say I love You,
Over and over I'm lost for words.
As much as I can offer,
As much as I can bring,
It's all about You now,
You're all I need to live.
Jesus I come to You.
