

Lost in wonder, love and praise

I come before You

Lost in wonder, love and praise

I bow my knee

To the One who is worthy

Of my adoration

Lost in wonder, love and praise

I come before Your throne

Singing Alleluia, glory to the Lamb (x4)

Lost in wonder, love and praise

I come before You

Lost in wonder, love and praise

I bow my knee

To the One who is worthy

Of my adoration (*to verse 1*)
